Section 2.1. Acquisition of Equipment. Prior to the addition of any Equipment Group, Lessee shall provide Lessor with a description of the equipment proposed to be subject to a Lease hereunder, including the cost and vendor of such equipment, the expected delivery date and the desired lease terms for such equipment, and such other information as the Lessor may require. If Lessor, in its sole discretion, determines the proposed equipment may be subject to a Lease hereunder, Lessor shall furnish to Lessee a proposed Equipment Schedule relating to the Equipment Group for execution by Lessee and then Lessor. By execution hereof, Lessor has made no commitment to lease any equipment to Lessee. No Lease hereunder shall be effective as to Lessee until executed by a proper party/individual following the approval of the Lessee's governing body. No Lease hereunder shall be effective as to Lessor until executed by the proper party/individual/officer following the credit, legal and any other applicable approvals then required by Lessor. Unless expressly provided herein to the contrary, neither party shall be required under this Agreement to provide any Leases, purchase any Equipment, or enter into any financing arrangements.

Section 2.2. Disbursement. Lessor shall have no obligation to make any disbursement to a Vendor or reimburse Lessee for any payment made to a Vendor for an Equipment Group (or, if the escrow procedure described in Section 2.4 hereof is utilized, consent to a disbursement by the Escrow Agent) until five (5) business days after Lessor has received all of the following in form and substance satisfactory to Lessor: (a) a completed Equipment Schedule executed by Lessee; (b) an Acceptance Certificate in the form included with Exhibit B hereto; (c) a resolution or evidence of other official action taken by or on behalf of the Lessee to authorize the acquisition of the Equipment Group on the terms provided in such Equipment Schedule; (d) a Tax Agreement and Arbitrage Certificate in the form of Exhibit H (as applicable) attached hereto; (e) evidence of insurance with respect to the Equipment Group in compliance with Article VII of this Agreement; (f) Vendor invoice(s) and/or bill(s) of sale relating to the Equipment Group, and if such invoices have been paid by Lessee, evidence of payment thereof and evidence of official intent to reimburse such payment as required by the Code; (g) financing statements naming Lessee as debtor and/or the original certificate of title or manufacturer's certificate of origin and title application, if any, for any Equipment which is part of such Equipment Group and is subject to certificate of title laws; (h) a completed and executed Form 8038-G or 8038-GC, as applicable, or evidence of filing thereof with the Secretary of Treasury; (i) an opinion of counsel to the Lessee substantially in the form of Exhibit F hereto, and (j) any other documents or items reasonably required by Lessor.

Section 2.3. Lease; Possession and Use. Lessor hereby leases the Equipment to Lessee, and Lessee hereby leases the Equipment from Lessor, upon the terms and conditions set forth herein. Lessee shall have quiet use and enjoyment of and peaceably have and hold each Equipment Group during the related Lease Term, except as expressly set forth in this Agreement.

Section 2.4. Escrow Procedure. If Lessor and Lessee agree that the cost of an Equipment Group is to be paid from an Escrow Account: (a) Lessor and Lessee shall execute an Escrow Agreement substantially in the form of Exhibit I or such other form as may be mutually agreeable by the parties thereto; (b) Lessor and Lessee shall execute an Equipment Schedule relating to such Equipment Group; and (c) Lessor shall deposit an amount equal to the cost of the Equipment Group into the Escrow Account. To the extent monies in the Escrow Account have not been used to purchase Equipment, all amounts deposited by Lessor into the Escrow Account shall serve as additional security for the payment and performance obligations of the Lessee under any Lease hereto, and, in furtherance of that security and to the extent not prohibited by applicable law, will constitute an obligation from Lessor to Lessee secured by proceeds in such Escrow Account and, when such funds are used to acquire the Equipment, shall be repaid by the Rental Payments due under the related Lease.

ARTICLE III. TERM

Section 3.1. Term. This Agreement shall be in effect from the Agreement Date until the earliest of (a) termination under Section 3.2 or (b) termination under Section 12.2; provided, however, no Equipment Schedules shall be executed after any Non-Appropriation or Event of Default. Each Lease with respect to an Equipment Group shall be in effect for a Lease Term commencing upon the Lease Date and ending as provided in Section 3.4.

Section 3.2. Termination by Lessee. In the sole event of Non-Appropriation, this Agreement and each Lease hereunder shall terminate, in whole, but not in part, as to all Equipment effective upon the last day of the Fiscal Year for which funds were appropriated, in the manner and subject to the terms specified in this Article. Lessee may affect such termination by giving Lessor a written notice of termination and by paying to Lessor any Rental Payments and other amounts which are due and have not been paid at or before the end of its then current Fiscal Year. Lessee shall endeavor to give notice of such termination not less than ninety (90) days prior to the end of the Fiscal Year for which appropriations were made, and shall notify Lessor of any anticipated termination. In the event of termination of this Agreement as provided in this Section, Lessee shall comply with the instructions received from Lessor in accordance with Section 12.3. Lessor agrees that it shall not deliberately cause an event of Non-Appropriation so as to permit Lessee to terminate this Agreement or any Lease hereunder in order to acquire any other equipment or obtain funds directly or indirectly to perform essentially the same application for the Equipment is intended.

Section 3.3. Effect of Termination. Upon termination of this Agreement as provided in Section 3.2, Lessee shall not be responsible for the payment of any additional Rental Payments coming due in succeeding Fiscal Years, but if Lessee has not complied with the instructions received from Lessor in accordance with Section 12.3, the termination shall nevertheless be effective, but Lessee shall be responsible for the payment of damages in an amount equal to the amount of the Rental Payments that would thereafter have come due if this Agreement had not been terminated and which are attributable to the number of days after which Lessee fails to comply with Lessor's instructions and for any other loss suffered by Lessor as a result of Lessee's failure to take such actions as required.

Section 3.4. Termination of Lease Term. The Lease Term with respect to any Lease will terminate upon the occurrence of the first of the following events: (a) the termination of this Agreement by Lessee in accordance with Section 3.2; (b) the payment of the Prepayment Price by Lessee pursuant to Article V; (c) an Event of Default by Lessee and Lessor's election to terminate such Lease pursuant to Article XII; or (d) the payment by Lessee of all Rental Payments and all other amounts authorized or required to be paid by Lessee pursuant to such Lease.

ARTICLE IV. RENTAL PAYMENTS

Section 4.1. Rental Payments. The Lessee agrees to pay the Rental Payments due as specified in the Payment Schedule set forth on any Equipment Schedule hereto, the form of which is attached as Exhibit A. A portion of each Rental Payment is paid as interest as specified in the Payment Schedule of each lease, and the first Rental Payment will include Interest accruing from the Funding Date. Lessor is authorized to insert the due date of the first Rental Payment in the Payment Schedule. All Rental Payments shall be paid to Lessor, or to such assignee(s) Lessor has assigned as stipulated in Article XI, at such places as Lessor or such assignee(s) may from time to time designate by written notice to Lessee. Lessee shall pay the Rental Payments with lawful money of the United States of America from moneys legally available therefor.

Section 4.2. Current Expense. The obligations of Lessee, including its obligation to pay the Rental Payments due in any Fiscal Year of a Lease Term, shall constitute a current expense of Lessee for such Fiscal Year and shall not constitute an indebtedness of Lessee within the meaning of the Constitution and laws of the State. Nothing herein shall constitute a pledge by Lessee of any taxes or other moneys (other than moneys lawfully appropriated from time to time by or for the benefit of Lessee for this Agreement and the Net Proceeds of the Equipment) to the payment of any Rental Payment or other amount coming due hereunder.

Section 4.3. Unconditional Rental Payments. Notwithstanding Lessee's right to terminate as provided in Section 3.2, Lessee's obligation to make Rental Payments shall be absolute and unconditional. Also, any other payments required hereunder shall be absolute and unconditional. Lessee shall make these payments when due and shall not withhold any of these payments pending final resolution of any disputes. The Lessee shall not assert any right of set-off or counterclaim against its obligation to make these payments. Lessee's obligation to make Rental Payments or other payments shall not be abated through accident, unforeseen circumstances, failure of the Equipment to perform as desired, damage or destruction to the Equipment, loss of possession of the Equipment or obsolescence of the Equipment. The Lessee shall be obligated to continue to make payments required of it by this Agreement if title to, or temporary use of, the Equipment or any part thereof shall be taken under exercise of the power of eminent domain.

ARTICLE V. OPTION TO PREPAY

Section 5.1. Option to Prepay. Lessee shall have the option to prepay its obligations under any Lease in whole but not in part on any Payment Date on or after the Prepayment Option Commencement Date for the then applicable Prepayment Price (which may include a prepayment fee) as set forth in the related Payment Schedule, provided there has been no Non-Appropriation or Event of Default.

Section 5.2. Exercise of Option. Lessee shall give notice to Lessor of its intention to exercise its option not less than thirty (30) days prior to the Payment Date on which the option will be exercised and shall pay to Lessor not later than such Payment Date an amount equal to all Rental Payments and any other amounts then due or past due under the related Lease (including the Rental Payment due on the Payment Date on which the option shall be effective) and the applicable Prepayment Price set forth in the related Payment Schedule. In the event that all such amounts are not received by Lessor on such Payment Date, such notice by Lessee of exercise of its option to prepay shall be void and the related Lease shall continue in full force and effect.

Section 5.3. Release of Lessor's Interest. Upon receipt of the Prepayment Price in good funds with respect to any Equipment Group, the Lease with respect to such Equipment Group shall terminate and Lessee shall become entitled to such Equipment Group AS IS, WHERE IS, WITHOUT WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR FITNESS FOR THE USE CONTEMPLATED BY LESSEE, except that such Equipment Group shall not be subject to any lien or encumbrance created by or arising through Lessor.

ARTICLE VI. REPRESENTATIONS, WARRANTIES AND COVENANTS

Section 6.1. Representations and Warranties of Lessee. Lessee represents and warrants as of the Agreement Date and as of each Lease Date as follows:

- (a) Lessee is a state or political subdivision of the State within the meaning of Section 103(c) of the Code, duly organized and existing under the Constitution and laws of the State, and is authorized under the Constitution and laws of the State to enter into this Agreement, each Lease and the transactions contemplated hereby and thereby, and to perform all of its obligations under this Agreement and each Lease.
- (b) The execution and delivery of this Agreement and each Lease have been duly authorized by all necessary action of Lessee's governing body and such action is in compliance with all public bidding and other State and federal laws applicable to this Agreement, each Lease and the acquisition and financing of the Equipment by Lessee.
- (c) This Agreement and each Lease have been duly executed and delivered by and constitutes the valid and binding obligation of Lessee, enforceable against Lessee in accordance with their respective terms.
- (d) The execution, delivery and performance of this Agreement and each Lease by Lessee shall not (i) violate any

State or federal law or local law or ordinance (including, without limitation, any public bidding, open meeting, notice, and procurement requirements), or any order, writ, injunction, decree, or regulation of any court or other governmental agency or body applicable to Lessee, or (ii) conflict with or result in the breach or violation of any term or provision of, or constitute a default under, any note, bond, mortgage, indenture, agreement, deed of trust, lease or other obligation to which Lessee is bound.

(e) There is no action, suit, proceeding, claim, inquiry or investigation, at law or in equity, before or by any court, regulatory agency, public board or body pending or, to the best of Lessee's knowledge, threatened against or affecting Lessee, challenging Lessee's authority to enter into this Agreement or any Lease or any other action wherein an unfavorable ruling or finding would adversely affect the enforceability of this Agreement or any Lease.

(f) Lessee will furnish Lessor (i) within [180] days after the end of each Fiscal Year of Lessee, a copy of its audited financial statements for such Fiscal Year, which audited financial statements shall include a balance sheet, a statement of revenues, expenses and changes in fund balances for budget and actual, a statement of cash flows, notes, schedules and any attachments to the financial statements; (ii) no later than 10 days prior to the end of each Fiscal Year (commencing with the current Fiscal Year), a copy of Lessee's current budget or other proof of appropriation for the ensuing Fiscal Year; (iii) promptly after Lessor's written request, a copy of any interim updates or modifications to Lessee's adopted budget and such other information relating to Lessee's ability to continue the Lease Term of each Lease for such Fiscal Year as may be reasonably requested by Lessor; and (iv) promptly, but not later than 30 days after such information is available, after Lessor's written request, such other financial statements and information as Lessor may reasonably request, including, without limitation, any information relating to the measurement and verification of proposed or guaranteed energy savings. The financial statements described in clause (f)(i) shall be accompanied by an unqualified opinion of Lessee's auditor. Credit information relating to Lessee may be disseminated among Lessor and any of its affiliates and any of their respective successors and assigns.

(g) Lessee or Lessee's governing body has appropriated and/or taken other lawful actions necessary to provide moneys sufficient to pay all Rental Payments during the current Fiscal Year, and such moneys will be applied in payment of all Rental Payments due and payable during such current Fiscal Year.

(h) Lessee has an immediate need for, and expects to make immediate use of, the Equipment, which need is not temporary or expected to diminish during the applicable Lease Term. Lessee presently intends to continue each Lease hereunder for its entire Lease Term and to pay all Rental Payments relating thereto.

(i) Pursuant to Arizona Administrative Code (A.A.C.) R7-2-1093, Lessee has determined that: (1) The estimated requirements Lessee has in the Equipment cover the Lease Term and are reasonable and continuing for such Lease Term, (2) This Agreement will serve the best interests of Lessee by encouraging effective competition or otherwise promote economies in Lessee procurement.

Section 6.2. Covenants of Lessee. Lessee agrees that so long as any Rental Payments or other amounts due under this Agreement remain unpaid:

(a) Lessee shall not install, use, operate or maintain the Equipment improperly, carelessly, in violation of any applicable law or regulation or in a manner contrary to that contemplated by this Agreement. Lessee shall obtain and maintain all permits and licenses necessary for the installation and operation of the Equipment. Lessee shall not, without the prior written consent of Lessor, affix or install any accessory equipment or device on any of the Equipment if such addition would change or impair the originally intended functions, value or use of such Equipment.

(b) Lessee shall provide Lessor access at all reasonable times to examine and inspect the Equipment and provide Lessor with such access to the Equipment as may be reasonably necessary to perform maintenance on the Equipment in the event of failure by Lessee to perform its obligations hereunder. Lessor shall substantially conform in all material respects with any known and reasonable fire, physical, or other security regulations during any such inspection or maintenance process.

(c) Lessee shall not, directly or indirectly, create, incur, assume or suffer to exist any mortgage, pledge, lien, charge, encumbrance or other claim with respect to the Equipment, other than the respective rights of Lessor and Lessee as herein provided. Lessee shall promptly, at its own expense, take such actions as may be necessary duly to discharge or remove any such claim if the same shall arise at any time. Lessee shall reimburse Lessor for any expense incurred by Lessor in order to discharge or remove any such claim.

(d) The person or entity in charge of preparing Lessee's budget will include in the budget request for each Fiscal Year the Rental Payments to become due during such Fiscal Year, and will use all reasonable and lawful means available to secure the appropriation of money for such Fiscal Year sufficient to pay all Rental Payments coming due therein. Lessor acknowledges that appropriation for Rental Payments is a governmental function which Lessee cannot contractually commit itself in advance to perform. Lessee acknowledges that this Agreement does not constitute such a commitment. However, Lessee reasonably believes that moneys in an amount sufficient to make all Rental Payments can and will lawfully be appropriated and made available to permit Lessee's continued utilization of the Equipment in the

performance of its essential functions during the applicable Lease Terms.

(e) Lessee shall assure that its obligation to pay Rental Payments is not directly or indirectly secured by any interest in property, other than the Equipment, and that the Rental Payments will not be directly or indirectly secured by or derived from any payments of any type or any fund other than Lessee's general purpose fund.

(f) Upon Lessor's request, Lessee shall provide Lessor with current financial statements, budgets, and proof of appropriation for the ensuing Fiscal Year and such other financial information relating to the ability of Lessee to continue this Agreement and each Lease as may be reasonably requested by Lessor.

(g) Lessee shall promptly and duly execute and deliver to Lessor such further documents, instruments and assurances and take such further action as Lessor may from time to time reasonably request in order to carry out the intent and purpose of this Agreement and to establish and protect the rights and remedies created or intended to be created in favor of Lessor hereunder.

Section 6.3. Tax Related Representations, Warranties and Covenants.

(a) *Incorporation of Tax Agreement and Arbitrage Certificate.* As of each Lease Date and with respect to each Lease, Lessee makes each of the representations, warranties and covenants contained in the Tax Agreement and Arbitrage Certificate delivered with respect to such Lease. By this reference each such Tax Agreement and Arbitrage Certificate is incorporated in and made a part of this Agreement.

(b) *Event of Taxability.* If Lessor either (i) receives notice, in any form, from the Internal Revenue Service or (ii) reasonably determines, based on an opinion of independent tax counsel selected by Lessor, that Lessor may not exclude any Interest paid under any Lease from its Federal gross income existing from and as a result of any acts and omissions and/or on the part of the Lessee (each an "Event of Taxability"), the Lessee shall pay to Lessor upon demand (x) an amount which, with respect to Rental Payments previously paid and taking into account all penalties, fines, interest and additions to tax (including all federal, state and local taxes imposed on the Interest due through the date of such event), will restore to Lessor its after-tax yield (assuming tax at the highest marginal tax rate and taking into account the time of receipt of Rental Payments and reinvestment at the after-tax yield rate) on the transaction evidenced by such Lease through the date of such event and (y) as additional Rental Payments to Lessor on each succeeding Payment Date such amount as will maintain such after-tax yield to Lessor.

ARTICLE VII. INSURANCE AND RISK OF LOSS

Section 7.1. Liability and Property Insurance. Lessee shall, at its own expense, procure and maintain continuously in effect during each Lease Term: (a) public liability insurance for death or injuries to persons, or damage to property arising out of or in any way connected to the Equipment sufficient to protect Lessor and/or assigns from liability in all events, with a coverage of not less than \$1,000,000 per occurrence and either \$3,000,000 aggregate for non-titled Equipment or \$5,000,000/ aggregate for titled Equipment unless specified differently in the related Equipment Schedule, and (b) insurance against such hazards as Lessor may require, including, but not limited to, all-risk casualty and property insurance, in an amount equal to the greater of the full replacement cost of the Equipment or the applicable Prepayment Price of each Equipment Group.

Section 7.2. Workers' Compensation Insurance. If required by State law, Lessee shall carry workers' compensation insurance covering all employees on, in, near or about the Equipment, and upon request, shall furnish to Lessor certificates evidencing such coverage throughout the Lease Term.

Section 7.3. Insurance Requirements.

(a) *Insurance Policies.* All insurance policies required by this Article shall be taken out and maintained with insurance companies acceptable to Lessor and shall contain a provision that thirty (30) days prior to any change in the coverage the insurer must provide written notice to the insured parties. No insurance shall be subject to any co-insurance clause. Each insurance policy shall name Lessor and/or its assigns as an additional insured party and loss payee regardless of any breach of warranty or other act or omission of Lessee and shall include a lender's loss payable endorsement for the benefit of Lessor and/or its assigns. Prior to the delivery of Equipment, Lessee shall deposit with Lessor evidence satisfactory to Lessor of such insurance and, prior to the expiration thereof, shall provide Lessor evidence of all renewals or replacements thereof.

(b) *Self Insurance.* With Lessor's prior consent, Lessee may self-insure the Equipment by means of an adequate insurance fund set aside and maintained for that purpose which must be fully described in a letter delivered to Lessor in form acceptable to Lessor.

(c) *Evidence of Insurance.* Lessee shall deliver to Lessor upon acceptance of any Equipment evidence of insurance which complies with this Article VII with respect to such Equipment to the satisfaction of Lessor, including, without limitation, the confirmation of insurance in the form of Exhibit C-1 attached hereto together with Certificates of Insurance, when available, or the Questionnaire for Self-Insurance Rider and Lessor Consent in the form of Exhibit C-2 attached hereto, as applicable.

(d) *Payment and Performance Bond.* If requested by Lessor, which will be solely in circumstances where the Equipment will not be fully delivered and accepted at the time of funding yet partial payment therefor has been or will be

made by Lessor or from an Escrow Account, a payment and performance or other type of surety bond and dual obligee rider ("Bond") is required in form and substance and with such insurer as may be required by Lessor, and Lessee will keep such Bond in effect (or require the Vendor to keep such Bond in effect) and provide Lessor with a evidence of such Bond (and any applicable renewals thereof) at all times until the final Acceptance Certificate is delivered to the Lessor. No disbursements from the Escrow Account will be permitted without evidence of such Bond having been delivered to the Lessor.

Section 7.4. Risk of Loss. To the extent permitted by applicable laws of the State, as between Lessor and Lessee, Lessee assumes all risks and liabilities from any cause whatsoever, whether or not covered by insurance relating to any Lease hereunder, for loss or damage to any Equipment and for injury to or death of any person or damage to any property. Whether or not covered by insurance, Lessee hereby assumes responsibility for and agrees to release, defend, and hold harmless Lessor from all liabilities, obligations, losses, damages, penalties, claims, actions, costs and expenses, including reasonable attorneys' fees, imposed on, incurred by or asserted against Lessor that relate to or arise out of this Agreement, including but not limited to, (a) the selection, manufacture, purchase, acceptance or rejection of Equipment or the ownership of the Equipment, (b) the delivery, lease, possession, maintenance, use, condition, return or operation of the Equipment, (c) the condition of the Equipment sold or otherwise disposed of after possession by Lessee, (d) the conduct of Lessee, its officers, employees and agents, (e) a breach of Lessee of any of its covenants or obligations hereunder, (f) any claim, loss, cost or expense involving alleged damage to the environment relating to the Equipment, including, but not limited to investigation, removal, cleanup and remedial costs, and (g) any strict liability under the laws or judicial decisions of any state or the United States. This provision shall survive the termination of this Agreement. Nothing in this Section 7.4 shall be deemed to obligate Lessee to spend any monies with regards to the matters set forth herein that are not properly appropriated, designated for such purposes (e.g. insurance proceeds, warranty payments, self-insurance, reserve or sinking funds, etc.) and/or otherwise legally available. Nothing herein shall be deemed to (a) create an unconstitutional or illegal obligation on the part of the Lessee and (b) be a waiver of any constitutional or statutory waivers, rights, immunities, or privileges, Any provision or requirement of the Agreement which is determined or to be illegal, invalid, or unconstitutional shall be stricken solely to the extent of such invalidity with the remainder of the provisions of the Agreement to be in full force and effect.

Section 7.5. Destruction of Equipment. Lessee shall provide a complete written report to Lessor immediately upon any loss, theft, damage or destruction of any Equipment and of any accident involving any Equipment. Lessor may inspect the Equipment at any time and from time to time during regular business hours. If all or any part of the Equipment is stolen, lost, destroyed or damaged beyond repair or taken by an exercise of eminent domain ("Damaged Equipment"), Lessee shall within thirty (30) days after such event either: (a) replace the same at Lessee's sole expense with equipment having substantially similar Specifications and of equal or greater value to the Damaged Equipment immediately prior to the time of the loss occurrence, such replacement equipment to be subject to Lessor's approval, whereupon such replacement equipment shall be substituted in the applicable Lease and the other related documents by appropriate endorsement or amendment; or (b) pay the applicable Prepayment Price of the Damaged Equipment determined as set forth in the related Equipment Schedule. Lessee shall notify Lessor of which course of action it will take within fifteen (15) days after the loss occurrence. If, within forty-five (45) days of the loss occurrence, (a) Lessee fails to notify Lessor; (b) Lessee and Lessor fail to execute an amendment to the applicable Equipment Schedule to delete the Damaged Equipment and add the replacement equipment or (c) Lessee has failed to pay the applicable Prepayment Price, then Lessor may, at its sole discretion, declare the applicable Prepayment Price of the Damaged Equipment, to be immediately due and payable from the Net Proceeds and any other legally available or proper appropriated funds. The Net Proceeds of insurance with respect to the Damaged Equipment shall be made available by Lessor to be applied to discharge Lessee's obligation under this Section.

ARTICLE VIII. OTHER OBLIGATIONS OF LESSEE

Section 8.1. Maintenance of Equipment. Lessee shall notify Lessor in writing prior to moving the Equipment to another address and shall otherwise keep the Equipment at the address specified in the related Equipment Schedule. Lessee shall, at its own expense, maintain the Equipment in proper working order and shall make all necessary repairs and replacements to keep the Equipment in such condition including compliance with State and federal laws. Any and all replacement parts must be free of encumbrances and liens. All such replacement parts and accessories shall be deemed to be incorporated immediately into and to constitute an integral portion of the Equipment and as such, shall be subject to the terms of this Agreement.

Section 8.2. Taxes. Lessee shall pay all taxes and other charges which are assessed or levied against the Equipment, the Rental Payments or any part thereof, or which become due during the Lease Term, whether assessed against Lessee or Lessor, except as expressly limited by this Section. Lessee shall pay all utilities and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Equipment, and all special assessments and charges lawfully made by any governmental body that may be secured by a lien on the Equipment. Lessee shall not be required to pay any federal, state or local income, succession, transfer, franchise, profit, excess profit, capital stock, gross receipts, corporate,

or other similar tax payable by Lessor, its successors or assigns, unless such tax is made as a substitute for any tax, assessment or charge which is the obligation of Lessee under this Section.

Section 8.3. Advances. If Lessee shall fail to perform any of its obligations under this Article, Lessor may take such action to cure such failure, including the advancement of money, and Lessee shall be obligated to repay all such advances on demand, with interest at the Default Rate from the date of the advance to the date of repayment.

ARTICLE IX. TITLE

Section 9.1. Title. Except as may be modified on any Schedule hereto or solely if and to the extent as required by any laws of the State, during the Lease Term, ownership and legal title of all Equipment and all replacements, substitutions, repairs and modification shall be in Lessee and Lessee shall take all action necessary to vest such ownership and title in Lessee. Lessor does not own the Equipment and by this Agreement and each Lease is merely financing the acquisition of such equipment for Lessee. Lessor has not been in the chain of title of the Equipment, does not operate, control or have possession of the Equipment and has no control over the Lessee or the Lessee's operation, use, storage or maintenance of the Equipment.

Section 9.2. Security Interest. Lessee hereby grants to Lessor a continuing, first priority security interest in and to the Equipment, all repairs, replacements, substitutions and modifications thereto and all proceeds thereof (including without limitation any Net Proceeds, warranty payments and guaranteed energy or other savings payments) and in the Escrow Account (if any) in order to secure Lessee's payment of all Rental Payments and the performance of all other obligations. Lessee hereby authorizes Lessor to prepare and file such financing statements and other such documents to establish and maintain Lessor's valid first priority lien and perfected security interest. Lessee will join with Lessor in executing such documents and will perform such acts as Lessor may request to establish and maintain Lessor's valid first priority lien and perfected security interest. If requested by Lessor, Lessee shall obtain a landlord and/or mortgagee's consent and waiver with respect to the Equipment. If requested by Lessor, Lessee shall conspicuously mark the Equipment, and maintain such markings during the Lease Term, to clearly disclose Lessor's security interest in the Equipment. Upon termination of a Lease through exercise of Lessee's option to prepay pursuant to Article V or through payment by Lessee of all Rental Payments and other amounts due with respect to an Equipment Group, Lessor's security interest in such Equipment Group shall terminate, and Lessor shall execute and deliver to Lessee such documents as Lessee may reasonably request (at the sole cost and expense) to evidence the termination of Lessor's security interest in such Equipment Group.

Section 9.3. Modification of Equipment. Lessee will not, without the prior written consent of Lessor, affix or install any accessory equipment or device on any of the Equipment if such addition will change or impair the originally intended value, function or use of the Equipment.

Section 9.4. Personal Property. Except as permitted by Lessor in writing in connection to any Equipment Schedules, the Equipment is and shall at all times be and remain personal property and not fixtures.

ARTICLE X. WARRANTIES

Section 10.1. Selection of Equipment. Each Vendor and all of the Equipment have been selected by Lessee. Lessor shall have no responsibility in connection with the selection of the Equipment, the ordering of the Equipment, its suitability for the use intended by Lessee, the acceptance by any Vendor or its sales representative of any order submitted, or any delay or failure by such Vendor or its sales representative to manufacture, deliver or install any Equipment for use by Lessee.

Section 10.2. Vendor's Warranties. Lessor hereby assigns to Lessee for and during the related Lease Term, all of its interest, if any, in all Vendor's warranties, guarantees and patent indemnity protection, express or implied issued on or applicable to an Equipment Group, and Lessee may obtain the customary services furnished in connection with such warranties and guarantees at Lessee's expense. Lessor has no obligation to enforce any Vendor's warranties or obligations on behalf of itself or Lessee.

Section 10.3. Disclaimer of Warranties. LESSEE ACKNOWLEDGES THAT THE EQUIPMENT IS OF A SIZE, DESIGN, CAPACITY, AND MANUFACTURE SELECTED BY LESSEE. LESSEE ACKNOWLEDGES THAT IT SELECTED THE EQUIPMENT WITHOUT ASSISTANCE OF LESSOR, ITS AGENTS OR EMPLOYEES. LESSOR IS NOT A MANUFACTURER OF THE EQUIPMENT OR A DEALER IN SIMILAR EQUIPMENT, AND DOES NOT INSPECT THE EQUIPMENT BEFORE DELIVERY TO LESSEE. LESSOR MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, QUALITY, DURABILITY, SUITABILITY, MERCHANT-ABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR FITNESS FOR THE USE CONTEMPLATED BY LESSEE OF THE EQUIPMENT, OR ANY OTHER REPRESENTATION OR WARRANTY WITH RESPECT TO THE EQUIPMENT. IN NO EVENT SHALL LESSOR BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT OR THE EQUIPMENT OR LESSEE'S USE OF THE EQUIPMENT.

ARTICLE XI. ASSIGNMENT AND SUBLEASING

Section 11.1. Assignment by Lessor. No right or interest in any Lease shall be assigned by Lessor without prior written permission of Lessee, pursuant to A.A.C. R7-2-1003.D, except the sole right to receive payment hereunder as provided in the Arizona Uniform Commercial Code ("U.C.C."), A.R.S. ' 47-9318, which assignment shall be completed as required by the U.C.C. Such permission of Lessee shall not be unreasonably withheld. Upon receipt of written permission of Lessee, Lessor may assign (or reassign) its right, title and interest in a Lease and the Equipment, subject to the rights of Lessee. (A form of Notice of and Consent to Assignment and Delegation is attached hereto as Exhibit K.) By its written permission Lessee consents to such assignments, and all rights of and benefits to Lessor shall inure to the assignee. If requested, Lessee shall make payments required under the assigned Lease directly to the assignee without abatement or reduction of any kind. Lessor must provide Lessee with the name, address, social security number or tax identification number of each such assignee; provided, however, that if such assignment is made to a bank or trust company or escrow agent for holders of certificates of participation in a Lease, it shall thereafter be sufficient that a copy of the Escrow Agreement shall have been deposited with Lessee until Lessee shall have been advised that such Escrow Agreement is no longer in effect. During the Lease Term of each Lease, Lessee shall keep a complete and accurate record of all such assignments reported to it by Lessor in a form necessary to comply with the United States Internal Revenue Code of 1986, Section 149(a), and the regulations, proposed or existing, from time to time promulgated thereunder, except during such period when certificates of participation are outstanding, at which time the bank or trust company shall maintain such records. Neither notice of assignment from Lessor, nor Lessee's permission for an assignment shall be so required if Lessor assigns a Lease any of its direct or indirect subsidiaries. Lessee agrees to acknowledge in writing any permitted assignments if so requested by the assignee. Notwithstanding the foregoing, the parties agree that Lessor may assign, at its sole option, the right to payments under any Lease to a trust fund or similar pool of securities in which investors will receive fractional interest in the assets of such pool without the prior consent of Lessee.

Section 11.2. Assignment and Subleasing by Lessee. Lessee shall not sell, assign, sublease, transfer, pledge or hypothecate this Agreement, any Schedule, the Equipment or any part thereof, of any interest therein, or permit the Equipment or any part thereof to be used by anyone other than Lessee or its employees without the written permission of Lessor. Such permission of Lessor to assign as provided herein shall not be unreasonably withheld."

ARTICLE XII. EVENTS OF DEFAULT AND REMEDIES

Section 12.1. Events of Default Defined. The occurrence of any of the following events shall constitute an Event of Default under this Agreement and each Lease:

- (a) Lessee's failure to pay, within ten (10) days following the due date thereof, any Rental Payment or other amount required to be paid to Lessor (other than by reason of Non-Appropriation).
- (b) Lessee's failure to maintain insurance as required by Article VII.
- (c) With the exception of the above clauses (a) & (b), Lessee's failure to perform or abide by any condition, agreement or covenant for a period of thirty (30) days after written notice by Lessor to Lessee specifying such failure and requesting that it be remedied, unless Lessor shall agree in writing to an extension of time prior to its expiration.
- (d) Lessor's determination that any representation or warranty made by Lessee in this Agreement was untrue in any material respect upon execution of this Agreement or any Equipment Schedule.
- (e) The occurrence of an Event of Taxability and Lessee's failure to comply with the provisions of Section 6.3(b).
- (f) The filing of a petition in bankruptcy by or against Lessee, or failure by Lessee promptly to lift any execution, garnishment or attachment of such consequence as would impair the ability of Lessee to carry on its governmental functions or assignment by Lessee for the benefit of creditors, or the entry by Lessee into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of any adjustment of indebtedness of Lessee, or the dissolution or liquidation of Lessee.

Section 12.2. Remedies on Default. Upon the occurrence of any Event of Default, Lessor shall have the right, at its option and without any further demand or notice to one or more or all of the following remedies:

- (a) Lessor, with or without terminating this Agreement or any Lease, may declare all Rental Payments immediately due and payable by Lessee, whereupon such Rental Payments shall be immediately due and payable, together with interest at the Default Rate, but solely from properly appropriated, legally available, or other funds designated for such purposes (e.g. insurance proceeds, warranty payments, self-insurance, reserve or sinking funds, etc.).
- (b) Lessor, with or without terminating this Agreement or any Lease, may repossess any or all of the Equipment by giving Lessee written notice to deliver such Equipment in the manner provided in Section 12.3; or in the event Lessee fails to do so within ten (10) days after receipt of such notice, Lessor may enter upon Lessee's premises where such Equipment is kept and take possession of such Equipment and charge Lessee for all actual and reasonable accrued costs incurred, including reasonable attorneys' fees. Lessee hereby expressly waives any damages occasioned by such repossession except those resulting from Lessor's gross negligence or willful misconduct. If the Equipment or any portion has been destroyed, Lessee shall pay the applicable Prepayment Price of the destroyed Equipment as set forth in the related Payment Schedule, but solely from properly appropriated, legally available, or other funds designated for such purposes

(e.g. insurance proceeds, warranty payments, self-insurance, reserve or sinking funds, etc.). Regardless of the fact that Lessor has taken possession of the Equipment, Lessee shall continue to be responsible for the Rental Payments due during the Fiscal Year.

(c) If Lessor terminates this Agreement and/or any Lease and, in its discretion, takes possession and disposes of any or all of the Equipment, Lessor shall apply the proceeds of any such disposition to pay the following items in the following order: (i) all costs (including, but not limited to, attorneys' fees) incurred in securing possession of the Equipment; (ii) all expenses incurred in completing the disposition; (iii) any sales or transfer taxes; (iv) the applicable Prepayment Prices of the Equipment Groups; (v) the balance of any Rental Payments owed by Lessee during the Fiscal Year then in effect; and (vi) interest on any of the foregoing at the Default Rate. Any disposition proceeds remaining after the requirements of Clauses (i), (ii), (iii), (iv), (v) and (vi) have been met shall be paid to Lessee.

(d) Lessor may take any other remedy available, at law or in equity, with respect to such Event of Default, including those sounding in mandamus, specific performance/enforcement, or otherwise requiring Lessee to perform any of its obligations or to pay any moneys due and payable to Lessor, and Lessee shall pay the actual reasonable attorneys' fees and other costs and expenses incurred by Lessor in enforcing any remedy permitted and exercise hereunder together with interest at the Default Rate.

(e) Each of the foregoing remedies is cumulative and may be enforced separately or concurrently. All monetary damages and/or payment remedies set forth in this Section 12, shall be payable solely from properly appropriated, legally available, or other funds designated for such purposes (e.g. insurance proceeds, warranty payments, self-insurance, reserve or sinking funds, etc.). In no event shall the rights and remedies herein constitute a debt, illegal or unconstitutional undertaking of the Lessee or its governing body.

Section 12.3. Return of Equipment: Release of Lessee's Interest. Upon termination of any Lease prior to the payment of all related Rental Payments or the applicable Prepayment Price (whether as result of Non-Appropriation or Event of Default), Lessee shall, within ten (10) days after such termination, at its own expense: (a) perform any testing and repairs required to place the related Equipment in the condition required by Article VIII; (b) if deinstallation, disassembly or crating is required, cause such Equipment to be deinstalled, disassembled and crated by an authorized manufacturer's representative or such other service person as is satisfactory to Lessor; and (c) return such Equipment to a location specified by Lessor, freight and insurance prepaid by Lessee. If Lessee refuses to return such Equipment in the manner designated, Lessor may repossess the Equipment without demand or notice and without court order or legal process and charge Lessee the costs of such repossession. Upon termination of this Agreement in accordance with Article III or Article XII hereof, at the election of Lessor and upon Lessor's written notice to Lessee, full and unencumbered legal title and ownership of the Equipment shall pass to Lessor. Lessee shall have no further interest therein. Lessee shall execute and deliver to Lessor such documents as Lessor may request to evidence the passage of legal title and ownership to Lessor and termination of Lessee's interest in the Equipment.

Section 12.4 Late Charge. Lessor shall have the right to require late payment charge for each Rental or any other amount due hereunder which is not paid within 10 days of the date when due equal to the lesser of 5% of each late payment or the legal maximum. For any Rent Payment and other amount not paid within 30 days of the due date, Lessor shall have the right to resume interest thereof at the Default Rate which shall accrue from the due date. This Section is only applicable to the extent it does not affect the validity of this Agreement.

ARTICLE XIII. MISCELLANEOUS PROVISIONS

Section 13.1. Notices. All written notices to be given under this Agreement shall be given by mail to the party entitled thereto at its address specified beneath each party's signature, or at such address as the party may provide to the other parties hereto in writing from time to time. Any such notice shall be deemed to have been received 72 hours after deposit in the United States mail in registered or certified form, with postage fully prepaid, or, if given by other means, when delivered at the address specified in this Section 13.1.

Section 13.2. Binding Effect. This Agreement and each Lease hereunder shall be binding upon and shall inure to the benefit of Lessor and Lessee and their respective successors and assigns. Specifically, as used herein the term "Lessor" means any person or entity to which Lessor has assigned its right to receive Rental Payments under any Lease.

Section 13.3. Severability. In the event any provision of this Agreement or any Lease shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof or valid portion thereof. Any invalid provision shall be stricken as to the extent the invalidity and the parties, not a Court, shall take reasonable steps to make the Agreement or any Lease thereunder compliant with all applicable federal, State or local laws.

Section 13.4. Entire Agreement; Amendments. This Agreement constitutes the entire agreement of the parties with respect to the subject matter hereof and supersedes all prior and contemporaneous writings, understandings, agreements, solicitation documents and representations, express or implied. This Agreement may be amended or modified only by written documents duly authorized, executed and delivered by Lessor and Lessee.

Section 13.5. Captions. The captions or headings in this Agreement are for convenience only and in no way define, limit

or describe the scope or intent of any provisions, Articles, Sections or Clauses hereof.

Section 13.6. Further Assurances and Corrective Instruments. Lessor and Lessee agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Equipment hereby leased or intended so to be, or for otherwise carrying out the expressed intention of this Agreement. Lessee hereby authorizes Lessor to file any financing statement or supplements thereto as may be reasonably required for correcting any inadequate description of the Equipment hereby leased or intended so to be, or for otherwise carrying out the expressed intention of this Agreement

Section 13.7. Governing Law. The parties agree that this Agreement was negotiated, made and entered into in Arizona and shall be governed and interpreted under the laws of the State of Arizona. Any administrative action or other action arising out of this Agreement, including any action involving any assignee of Lessor, whether for the enforcement thereof or otherwise, shall be brought in Yavapai County, Arizona.

Section 13.8. Usury. It is the intention of the parties hereto to comply with any applicable usury laws; accordingly, it is agreed that, notwithstanding any provisions to the contrary herein or in any Equipment Schedule, in no event shall this Agreement or any Lease hereunder require the payment or permit the collection of Interest or any amount in the nature of Interest or fees in excess of the maximum amount permitted by applicable law. Any such excess Interest or fees shall first be applied to reduce Principal, and when no Principal remains, refunded to Lessee. In determining whether the Interest paid or payable exceeds the highest lawful rate, the total amount of Interest shall be spread through the applicable Lease Term so that the Interest is uniform through such term.

Section 13.9. Lessee's Performance. A failure or delay of Lessor to enforce any of the provisions of this Agreement or any Lease shall in no way be construed to be a waiver of such provision.

Section 13.10. Waiver of Jury Trial. Except as prohibited by the laws and/or constitution of the State, Lessor and Lessee hereby waive any right to trial by jury in any action or proceeding with respect to, in connection with or arising out of this Agreement.

Section 13.11. Cancellation for Conflict of Interest. Pursuant to Arizona Revised Statutes Section 38-511, as applicable, the provisions which are incorporated herein by reference, this Master Lease Agreement, and any of its Schedules and Exhibits, is subject to cancellation if any person significantly involved in initiating, negotiating, securing, drafting or creating the Agreement and any of its Schedules and Exhibits on behalf of Lessee either is, at any time while the Agreement or any Schedule or Exhibit is in effect, an employee or agent of any other party to this Agreement and any of its Schedules and Exhibits in any capacity or a consultant to any other party to this Agreement and any of its Schedules and Exhibits with respect to the subject matter of this Agreement or any of its Schedules or Exhibits.

Section 13.12. Arizona Compliance. Lessor and Lessee agree that they shall use all commercially reasonable efforts to comply with all applicable federal, State, and local rules, laws and regulations of the State. Lessor hereby represents and warrants that Lessor complies with the federal immigration laws and regulations that relate to their employees and with Arizona Revised Statutes Section 23-214(A). A breach of this warranty shall be deemed a material breach of this Agreement, subject to penalties up to and including termination of this Agreement by the Lessee, in its sole discretion. Subject to reasonable prior written notice, Lessee retains the legal right to inspect the papers of any Lessor or subcontractor employee who works on the Agreement to ensure compliance with this warranty. In accordance with Arizona Revised Statutes Sections 35-391.06 and 35-393.06.

Section 13.13 Cancellation Due to Gratuities. Lessee by written notice to Lessor may cancel this Agreement if it is found by Lessee that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by Lessor or any agent or representative of Lessor to any officer or employee of Lessee.

Section 13.14 Payment of Vendor. Lessor recognizes that the transaction described in each Lease is a lease of the Equipment with title in Lessee. Lessor further recognizes that Lessee desires to maintain its credit rating and that Lessor's delay or inability to pay Vendor would be detrimental to that rating. Accordingly, so long as no event of default has occurred under the Agreement and so long as any applicable commitment from Lessor has not expired, Lessor shall pay Vendor the contract price for the Equipment within five (5) business days of after the execution of each Lease and the delivery to Lessor of all documents required to be delivered upon execution of each Lease, but in no event sooner than the date when the Equipment is delivered and operating to the satisfaction of Lessee as evidenced by an executed Acceptance Certificate.

Section 13.16 Governmental Approvals. Lessor shall procure and maintain in effect, at its expense, all licenses, permits and governmental approvals, if any, necessary to the performance of its activities and obligations under this Agreement.

Section 13.17 Lessee's Safety Regulations. If Lessor enters onto the premises where the Equipment is located, at such times, Lessor shall conform in all respects with reasonable physical, fire and other security regulations.

Section 13.18 Approval by Governing Board. No Lease shall become effective until approved and authorized by the governing board of Lessee by resolution. No substantive change may be made to this Agreement or a Lease without approval of Lessee's governing board.

OPINION OF LESSEE'S COUNSEL

November 30, 2016

Signature Public Funding Corp.
600 Washington Avenue, Suite 305
Towson, Maryland 21204

Re: Equipment Schedule No. 001 dated November 30, 2016 to that certain
Master Equipment Lease-Purchase Agreement dated November 30, 2016

Ladies and Gentlemen:

As counsel to the City of Cottonwood (the "*Lessee*"), I have examined the Master Equipment Lease-Purchase Agreement dated [Date] and Equipment Schedule No. 001 thereto dated November 30, 2016 (collectively, the "*Lease Agreement*"), between the Lessee and Signature Public Funding Corp., as lessor ("*Lessor*"), the Escrow Fund and Account Control Agreement dated November 30, 2016, together the Disbursement Request Form and Certificate of Acceptance (collectively, the "*Escrow Agreement*"), and the proceedings taken by the Governing Body of the Lessee to authorize on behalf of the Lessee the execution and delivery of the Lease Agreement and the Escrow Agreement. The Lease Agreement and the Escrow Agreement are herein collectively referred to as the "*Transaction Documents*." Based upon the foregoing examination and upon an examination of such other documents and matters of law as I have deemed necessary or appropriate, I am of the opinion that:

1. The Lessee is a [describe entity type], which is a body corporate & politic duly established and validly existing as a political subdivision of the State of AZ under the Constitution and laws of the State of AZ with full power and authority to enter into the Transaction Documents.

2. The Transaction Documents have each been duly authorized, executed, and delivered by the Lessee and are in full compliance with all local, state and federal laws. Assuming due authorization, execution and delivery thereof by Lessor, the Transaction Documents constitute legal, valid, and binding obligations of the Lessee, enforceable against the Lessee in accordance with their respective terms, subject to any applicable bankruptcy, insolvency, moratorium or other laws or equitable principles affecting the enforcement of creditors' rights generally. The execution of the Transaction Documents and the appropriation of monies due under the Lease Agreement will not result in the violation of any constitutional, statutory or limitation relating to the manner, form or amount of indebtedness which may be incurred by the Lessee.

3. The Equipment to be leased pursuant to the Lease Agreement constitutes personal property and, when subjected to use by the Lessee, will not be a fixture under applicable law.

4. The Lessee has complied with all applicable statutes, laws, rules, regulations, notice and public bidding requirements, including, without limitation, [insert statutes if applicable], in connection with the Transaction Documents and the transactions contemplated thereby. The resolution adopted by the Governing Body of the Lessee authorizing the execution and delivery of the Transaction Documents and certain other matters was adopted at a meeting that was held in compliance with all applicable laws relating to the holding of open and public meetings. No approval, consent or withholding of objections is required from any State, federal or local governmental authority or instrumentality with respect to the entry into or performance by Lessee of its obligations under the Transaction Documents, except as have already been obtained.

5. No litigation or proceeding is pending or, to the best of my knowledge, threatened to restrain or enjoin the execution, delivery, or performance by the Lessee of the Transaction Documents or in any way to contest the validity of the Transaction Documents, to contest or question the creation or existence of the Lessee or the governing body of the Lessee or the authority or ability of the Lessee to execute or deliver the Transaction Documents or to

comply with or perform its obligations thereunder. There is no litigation pending or, to the best of my knowledge, threatened seeking to restrain or enjoin the Lessee from annually appropriating sufficient funds to pay the rental payments or other amounts contemplated by the Lease Agreement. The entering into and performance of the Transaction Documents do not and will not violate any judgment, order, law, or regulation applicable to the Lessee or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest, or other encumbrance upon any assets of the Lessee or on the Equipment (as such term is defined in the Lease Agreement) pursuant to any indenture, mortgage, deed of trust, bank loan or credit agreement, or other instrument to which the Lessee is a party or by which it or its assets may be bound.

6. The Lessee has covenanted to comply with any continuing requirements that may be necessary to preserve the exclusion from gross income for purposes of federal income taxation under the Internal Revenue Code of 1986, as amended (“Code”), of the portion of the Rental Payments designated as interest. In the event that the Lessee continuously complies with its covenants under the Transaction Documents and so long as the amounts payable to the Lessor are derived from the Rental Payments made by the Lessee, the portion of the Rental Payments designated as interest is not includible in gross income for federal income tax purposes under the current law. No opinion is expressed as to the tax treatment of payments made to the Lessor from sources other than from Rental Payments made by the Lessee. The Lease Agreement and the obligation to pay Rental Payments thereunder as represented by the Lease Agreement are not “specified private activity bonds” as such term is defined in the Code and the portion of the Rental Payments designated as interest is not includible as an item of tax preference under Section 57 of the Code for purposes of computing the alternative minimum tax. However, the portion of Rental Payments designated as interest and received by the Lessor may be subject to an alternative minimum tax. Except as set forth in paragraphs 6, we express no opinion regarding other federal tax consequences arising with respect to the Lease Agreement.

This opinion may be relied upon by purchasers and assignees of Lessor’s interests in the Lease Agreement.

Respectfully submitted,

TAX & ARBITRAGE CERTIFICATE

Dated: November 30, 2016

The following certificate is delivered in connection with the execution and delivery of Equipment Schedule No. 001 dated November 30, 2016 to that certain Master Equipment Lease-Purchase Agreement dated November 30, 2016 (collectively, the "Lease Agreement"), entered into between the City of Cottonwood (the "Lessee") and Signature Public Funding Corp. (the "Lessor"). Capitalized terms used herein have the meanings defined in the Lease Agreement.

Section 1. In General.

1.1. This Certificate is executed for the purpose of establishing the reasonable expectations of Lessee as to future events regarding the financing of certain equipment (the "Equipment") to be acquired by Lessor and leased to Lessee pursuant to and in accordance with the Equipment Schedule executed under the Agreement (together with all related documents executed pursuant thereto and contemporaneously herewith, the "Financing Documents"). As described in the Financing Documents, Lessor shall apply **\$1,194,732.00** (the "Principal Amount") toward the acquisition of the Equipment and closing costs, and Lessee shall make Rental Payments under the terms and conditions as set forth in the Financing Documents.

1.2. The individual executing this Certificate on behalf of Lessee is an officer of Lessee delegated with the responsibility of reviewing and executing the Financing Documents, pursuant to the resolution or other official action of Lessee adopted with respect to the Financing Documents, a copy of which has been delivered to Lessor.

1.3. The Financing Documents are being entered into for the purpose of providing funds for financing the cost of acquiring, equipping and installing the Equipment which is essential to the governmental functions of Lessee, which Equipment is described in the Equipment Schedule. The Principal Amount will be deposited in escrow by Lessor on the date of issuance of the Financing Documents and held by **Signature Bank**, as escrow agent (the "Escrow Agent") pending acquisition of the Equipment under the terms of that certain Escrow Agreement dated as of November 30, 2016 (the "Escrow Agreement"), by and between Lessor and Escrow Agent.

1.4 Lessee will timely file for each payment schedule issued under the Lease a Form 8038-G (or, if the invoice price of the Equipment under such schedule is less than \$100,000, a Form 8038-GC) relating to such Lease with the Internal Revenue Service in accordance with Section 149(e) of the Internal Revenue Code of 1986, as amended (the "Code").

Section 2. Non-Arbitrage Certifications.

2.1. The Rental Payments due under the Financing Documents will be made with monies retained in Lessee's general operating fund (or an account or subaccount therein). No sinking, debt service, reserve or similar fund or account will be created or maintained for the payment of the Rental Payments due under the Financing Documents or pledged as security therefor.

2.2. There have been and will be issued no obligations by or on behalf of Lessee that would be deemed to be (i) issued or sold within fifteen (15) days before or after the date of issuance of the Financing Documents, (ii) issued or sold pursuant to a common plan of financing with the Financing Documents and (iii) paid out of substantially the same source of funds as, or deemed to have substantially the same claim to be paid out of substantially the same source of funds as, the Financing Documents.

2.3. Lessee does not and will not have on hand any funds that are or will be restricted, segregated, legally required or otherwise intended to be used, directly or indirectly, as a substitute, replacement or separate source of financing for the Equipment.

2.4. No portion of the Principal Amount is being used by Lessee to acquire investments which produce a yield materially higher than the yield realized by Lessor from Rental Payments received under the Financing Documents.

2.5. The Principal Amount does not exceed the amount necessary for the governmental purpose for which the Financing Documents were entered into. Such funds are expected to be needed and fully expended for payment of the costs of acquiring, equipping and installing the Equipment.

2.6. Lessee does not expect to convey, sublease or otherwise dispose of the Equipment, in whole or in part, at a date which is earlier than the final Payment Date under the Financing Documents.

Section 3. Disbursement of Funds; Reimbursement to Lessee.

3.1 It is contemplated that the entire Principal Amount will be used to pay the acquisition cost of Equipment to the Vendors or manufacturers thereof or for any financial advisory or closing costs, provided that, if applicable, a portion of the principal amount may be paid to Lessee as reimbursement for acquisition cost payments already made by it so long as the conditions set forth in Section 3.2 below are satisfied.

3.2. Lessee shall not request that it be reimbursed for Equipment acquisition cost payments already made by it unless each of the following conditions have been satisfied:

(a) Lessee adopted a resolution or otherwise declared its official intent in accordance with Treasury Regulation § 1.150-2 (the "Declaration of Official Intent"), wherein Lessee expressed its intent to be reimbursed from the proceeds of a borrowing for all or a portion of the cost of the Equipment, which expenditure was paid to the Vendor not earlier than sixty (60) days before Lessee adopted the Declaration of Official Intent;

(b) The reimbursement being requested will be made by a written allocation before the later of eighteen (18) months after the expenditure was paid or eighteen (18) months after the items of Equipment to which such payment relates were placed in service;

(c) The entire payment with respect to which reimbursement is being sought is a capital expenditure, being a cost of a type properly chargeable to a capital account under general federal income tax principles; and

(d) Lessee will use any reimbursement payment for general operating expenses and not in a manner which could be construed as an artifice or device under Treasury Regulation § 1.148-10 to avoid, in whole or in part, arbitrage yield restrictions or arbitrage rebate requirements.

Section 4. Use and Investment of Funds; Temporary Period.

4.1. Lessee has incurred or will incur, within six (6) months from the date of issuance of the Financing Documents, binding obligations to pay an amount equal to at least five percent (5%) of the Principal Amount toward the costs of the Equipment. An obligation is not binding if it is subject to contingencies within Lessee's control. The ordering and acceptance of the items of Equipment will proceed with due diligence to the date of final acceptance of the Equipment.

4.2. An amount equal to at least eighty-five percent (85%) of the Principal Amount will be expended to pay the cost of the Equipment by the end of the three-year period commencing on the date of this Certificate. No portion of the Principal Amount will be used to acquire investments that do not carry out the governmental purpose of the Financing Documents and that have a substantially guaranteed yield of four (4) years or more.

4.3. (a) Lessee covenants and agrees that it will rebate an amount equal to excess earnings on the Principal Amount deposited under the Escrow Agreement to the Internal Revenue Service if required by, and in accordance with, Section 148(f) of the Code, and make the annual determinations and maintain the records required by and otherwise comply with the regulations applicable thereto. Lessee reasonably expects to cause the Equipment to be acquired by May 30, 2017, but not later than May 30, 2018 ie 18 months from funding date).

(b) Lessee will provide evidence to Lessor that the rebate amount has been calculated and paid to the Internal Revenue Service in accordance with Section 148(f) of the Code unless (i) the entire Principal Amount is expended on the Equipment by the date that is the six-month anniversary of the Financing Documents or (ii) the Principal Amount is expended on the Equipment in accordance with the following schedule: At least fifteen percent (15%) of the Principal Amount and interest earnings thereon will be applied to the cost of the Equipment within six months from the date of issuance of the Financing Documents; at least sixty percent (60%) of the Principal Amount and interest earnings thereon will be applied to the cost of the Equipment within 12 months from the date of issuance of the Financing Documents; and one hundred percent (100%) of the Principal Amount and interest earnings thereon will be applied to the cost of the Equipment prior to eighteen (18) months from the date of issuance of the Financing Documents.

(c) Lessee hereby covenants that (i) Lessee is a governmental unit with general tax powers; (ii) the Lease is not a "private activity bond" under Section 141 of the Code; and (iii) at least ninety-five percent (95%) of the Principal Amount is used for the governmental activities of Lessee.

Section 5. Escrow Account.

The Financing Documents provide that the monies deposited in escrow shall be invested until payments to the Vendor(s) or manufacturer(s) of the Equipment are due. Lessee will ensure that such investment will not result in Lessee's obligations under the Financing Documents being treated as an "arbitrage bond" within the meaning of Section 148(a) of the Internal Revenue Code of 1986, as amended (the "Code"), respectively. Any monies which are earned from the investment of these funds shall be labeled as interest earned. All such monies will be disbursed on or promptly after the date that Lessee accepts the Equipment. Lessee acknowledges that the provisions of Sections 2 and 4 herein are particularly applicable when the Principal Amount is funded into an Escrow Fund subject to the Escrow Agreement.

Section 6. No Private Use; No Consumer Loan.

6.1. Lessee will not exceed the private use restrictions set forth in Section 141 of the Code. Specifically, Lessee will not permit more than 10% of the Principal Amount to be used for a Private Business Use (as defined herein) if, in addition, the payment of more than ten percent (10%) of the Principal Amount plus interest earned thereon is, directly or indirectly, secured by (i) any interest in property used or to be used for a Private Business Use or (ii) any interest in payments in respect of such property or derived from any payment in respect of property or borrowed money used or to be used for a Private Business Use.

6.2. In addition, if both (A) more than five percent (5%) of the Principal Amount is used as described above with respect to Private Business Use and (B) more than five percent (5%) of the Principal Amount plus interest earned thereon is secured by Private Business Use property or payments as described above, then the excess over such five percent (5%) (the "Excess Private Use Portion") will be used for a Private Business Use related to the governmental use of the Equipment. Any such Excess Private Use Portion of the Principal Amount will not exceed the portion of the Principal Amount used for the governmental use of the particular project to which such Excess Private Use Portion is related. For purposes of this paragraph 6.3, "Private Business Use" means use of bond proceeds or bond financed-property directly or indirectly in a trade or business carried on by a natural person or in any activity carried on by a person other than a natural person, excluding, however, use by a state or local governmental unit and excluding use as a member of the general public.

6.4. No part of the Principal Amount or interest earned thereon will be used, directly or indirectly, to make or finance any loans to non-governmental entities or to any governmental agencies other than Lessee.

Section 7. No Federal Guarantee.

7.1. Payment of the principal or interest due under the Financing Documents is not directly or indirectly guaranteed, in whole or in part, by the United States or an agency or instrumentality thereof.

7.2. No portion of the Principal Amount or interest earned thereon shall be (i) used in making loans the payment of principal or interest of which are to be guaranteed, in whole or in part, by the United States or any agency or instrumentality thereof, or (ii) invested, directly or indirectly, in federally insured deposits or accounts if such investment would cause the financing under the Financing Documents to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

Section 8. Miscellaneous.

8.1. Lessee shall keep a complete and accurate record of all owners or assignees of the Financing Documents in form and substance satisfactory to comply with the registration requirements of Section 149(a) of the Code unless Lessor or its assignee agrees to act as Lessee's agent for such purpose.

8.2. Lessee shall maintain complete and accurate records establishing the expenditure of the Principal Amount and interest earnings thereon for a period of five (5) years after payment in full under the Financing Documents.

8.3. To the best of the undersigned's knowledge, information and belief, the above expectations are reasonable and there are no other facts, estimates or circumstances that would materially change the expectations expressed herein.

8.4. The Lessee confirms and acknowledges that its true and correct tax identification number is: 86-6007877 and full, true and correct legal name is "City of Cottonwood." Lessee confirms that it is located in County of Yavapai, State of AZ.

8.5. The Lessee has adopted, by resolution, separate written procedures regarding ongoing compliance with federal tax requirements necessary to keep, ensure and maintain the interest portions of the Rental Payments under the Financing Documents as excluded from Lessor's gross income for federal income tax purposes, and will, on an annual basis, conduct an audit of the Financing Documents to ensure compliance with such procedures.

IN WITNESS WHEREOF, this Tax & Arbitrage Certificate has been executed on behalf of Lessee as of November 30, 2016.
